

Product Description ICR-0010-12™ Pro-Spray 1K Aerosol Silicone Remover is a convenient aerosol cleaner formulated with a mild, non-aggressive solvent that effectively removes silicone, grease, oil, wax, dirt, tar and grime. Recommended for parts refinishing and spot repair.

Technology

Pro-Spray 1K Aerosols utilize patented technology to deliver spray gun-like results. The patented nozzle/valve design, along with innovative propellant technology, produce high output, larger spray patterns and excellent atomization with constant pressure.

Typical Substrates

Filled and primed: • **Metal** • **Plastics** • **Glass**
• **Old paint coats** • **Coated and uncoated surfaces**

Mix Ratio

Ready to spray.
Shake vigorously for 2 minutes.

Shelf Life @ 72°F / 22.2°C

36 months

Application

1 light spray pass
Wipe off again with a clean, dry cloth. Allow cleaned area to dry thoroughly. Repeat process if necessary.

NOTE: When finished, invert aerosol can and spray to clear valve.

Physical Data

VOC 5.4 lbs/gal (620 g/l)
Coverage 1163–1550 sq. in./aerosol

Special Notes / Clean Up

Clean Up Completely emptied aerosols are suitable for standard solid waste disposal.

Health and Safety

For professional use only. KEEP OUT OF REACH OF CHILDREN. WARNING! CONTENTS ARE FLAMMABLE. VAPOR AND SPRAY MIST IS HARMFUL. SKIN AND EYE IRRITANT.

Do not handle the Pro-Spray products until the Material Safety Data Sheets have been read and understood in their entirety. Ensure that all employees are trained on Material Safety Data Sheets and all chemicals with which they come into contact. The manufacturer recommends the use of an air-supplied respirator when exposed to vapors or spray mist. Wear protective clothing, gloves and eye safety with a side shield.
